This is a final response to your 9 April 1981 Freedom of Information Act (FOIA) request, modified by your letter of 11 May 1981, for information concerning Dang Van Quang. Your request was processed in accordance with the Freedom of Information Act, 5 U.S.C. 552, and the CIA Information Act, 50 U.S.C. 431. Our processing included a search for records in existence as of and through the date of our acceptance letter dated 5 June 1981.

We were able to locate material responsive to your request. Enclosed is a copy of an extract from a 21 April 1978 edition of the Foreign Broadcast Information Service Daily Report which is released to you in its entirety.

During our searches we located United States Government material that was not originated by the CIA. This material appears to be relevant to your request and has been referred to its originating agency for review and direct response to you.

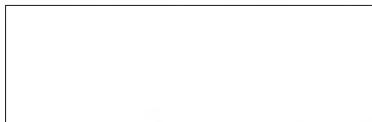

Fees for conducting searches on your behalf--consisting of 3 and 1/2 hours of professional employee search time @ \$14 per hour and 15 minutes of clerical employee search time @ \$6 per hour--amount to U.S. \$50.50. Please remit a check or money order for this amount, made payable to the Treasurer of the United States, and return to this office. Please cite F81-0402 so that we can properly credit your account.

We apologize for the length of time it has taken us to complete the processing of your request, but we have been inundated by a large number of requests over the past several years. Under the circumstances, we have done our best to be fair to all of our requesters. Thus, we established some years

ago the policy of first-received, first-answered. Thank you for your patience and consideration while we were processing your request.
